Children obey your parents.
Children obey the Lord;
Children obey, for this is right.
It says so in God's word.

Whatever I will be when I grow up,
I'll be a Christian first when I grow up.
If I should be a fireman when I grow up,
I'll be a Christian fireman when I grow up.
If I should be a Daddy (or Mother) when I grow up,
I'll be a Christian Daddy (or Mother)
And tell my baby about God.

If my name is (name), Jesus is my friend,
I love him and he loves me, Jesus is my friend.

(Jesus is my friend), Jesus is my friend.
He loves me and I love Him; Jesus is my friend.

(When I go to Bible class)
(When I pray to God)
(When I'm all alone)

Jesus love the little babies,
All the babies of the world
Any color, dark or light,
They are special in His sight.
Jesus loves the little babies of the world.

Jesus loves me, how do I know?
Each little bird has told me so.
Each little cloud up in the sky
Tells me Jesus loves me as it floats by.
Each little flower, each star above,
Tells of Jesus' goodness and wonderful love.

My Body is Important

Ken Young-Hallal (Music 1990)

My body is important, it was made with lots of care.
It was fashioned by the Master, from my toes up to my hair.
Chorus:
I'll take care of it, it is special
I'll take care of it everyday.
I'll take care of it, it's the temple
Where I worship and I pray.

My body is important, I will work to make it strong.
I'll say no to thing that hurt it,
Things God has said are wrong.
